

Intellectual Property Strategy, Protection, and Enforcement

TRADEMARK CONFLICT SEARCH

Don't risk building your brand on shaky ground. Our thorough trademark conflict search examines existing trademarks to ensure your proposed mark is available and won't infringe on others' rights. We analyze federal and state registrations, common law usage, and domain names to provide a comprehensive risk assessment.

TRADEMARK REGISTRATION

Secure federal protection for your brand with our trademark registration service. We guide you through the entire process, from preparing and filing your application with the U.S. Patent and Trademark Office (USPTO) to responding to office actions and securing final registration.

TRADEMARK DISPUTE RESOLUTION

When conflicts arise, our experienced attorneys are ready to defend your trademark rights. We handle opposition proceedings, cancellation actions, and infringement disputes, employing negotiation, mediation, or litigation as needed to protect your interests.

TM MAINTENANCE FILING

Maintain your trademark rights with our proactive maintenance filing service. We ensure timely submission of required documents, including declarations of use and renewal applications, to keep your trademark active and enforceable.

Intellectual Property Strategy, Protection, and Enforcement

TM MONITORING

Stay ahead of potential infringements with our trademark monitoring service. We vigilantly watch for similar marks in the marketplace and alert you to potential threats, allowing for swift action to protect your brand.

TM STATEMENT OF USE/EXTENSION

Navigate the final steps of trademark registration with our expert assistance. We help you file Statements of Use to demonstrate commercial use of your mark, or secure extensions when needed, ensuring your application progresses smoothly to registration.

COPYRIGHT REGISTRATION

Establish legal evidence of your authorship and gain valuable benefits with our copyright registration service. We handle the entire registration process with the U.S. Copyright Office, ensuring your works are properly documented and protected under federal law.

IP AUDIT

Maximize the value of your intellectual property portfolio with our comprehensive IP audit service. We assess your current trademarks, copyrights, and other IP assets, identifying strengths, weaknesses, and opportunities for enhanced protection and monetization.

CEASE AND DESIST

Take swift, decisive action against unauthorized use of your trademark. Our attorneys draft and send powerful cease and desist letters, demanding immediate cessation of infringing activities and protecting your brand integrity.
